Demand XXXV—Capital Outlay on Agricultural Improvement

Sri. T. K. Narayana Pillai: Sir, I move for a grant of Rs. 2,68,600 under Demand XXXV—Capital Outlay on Agricultural Improvement.

Sri. A. J. John: I second the motion.

Mr. Speaker: Does Mr. Velayudhan Nayar move his cut motion ?

Sri. Kalathil Velayudhan Nayar: I am moving my motion. I am not speaking on that.

Mr. Speaker: Yes.

Sri. Kalathil Velayudhan Nayar: Sir, I move: To reduce the total allotment of Rs. 2,68,600 under Demand XXXV by Re. 1."

The motion was put and lost

Mr. Speaker: So, I shall put the demand to vote. The question is that Government be granted a sum of Rs. 2,68,600 under Demand XXXV Capital Outlay on Agricultural Improvement.

Sri. A. Thanu Pillai: I oppose the demand, particularly for this reason. Here is a budget with about 40 items. We have been able to discuss and dispose of only about a dozen. According to the spirit of the Constitution, and in fairness to this House, it should have been made possible for the House to discuss all the demands.

Sri. P. Balakrishnan Tampi: Sir, I rise to a point of order. It is now five.

Sri. A. Thanu Pillai: I know that.

Mr. Speaker: Yes.

Sri. A. Thanu Pillai: So, the requisite number of days have not been made available. The Government should have seen to it that the House had opportunities of discussing the budget at any rate much more fully than we have been able to do. This is remissness on the part of the Government. Under the Constitution, if they had no time, they could have asked for a vote on account, and then continued the discussion on the demands in greater detail. They did not avail themselves of this provision. They did not want to give the House sufficient time. I know that a time limit has been fixed. I am only opposing that. You have put the demand to the House. I oppose it, and I have a right to speak on that.

Mr. Speaker: It is 5 O' clock. I shall now put the demands, one by one, to vote. Under the Rules, I am bound to put the demands outstanding to vote.

Sri. A. Thanu Pillai: We had no time to discuss this or the succeeding demands.

Mr. Speaker: I am putting these demands to vote because the time is up. The member may vote against it, as he has a right to.

Sri. A. Thanu Pillai: You Sir, will merely put it to vote and I will oppose it. That alone is possible.

Mr. Speaker: Any member can vote for or against it but not speak on it.
